Health Nugget

The principle of healthful living means a great deal to us individually and as a people....Do all to the glory of God. We do not mark out any precise line to be followed in diet, but we do say that in countries where there are fruits, grains, and nuts in abundance, flesh food is not the right food for God's people. I have been instructed that flesh food has a tendency to animalize the nature, to rob men and women from that love and sympathy that they should feel for everyone and to give lower passion higher power of the being. If meat eating was ever helpful, it is not safe now.... We are not to make the use of flesh food a test of fellowship. 1 Corinthians 10:31 - CCh page 235

Happy
New Year
-2018-

You crown the year with Your goodness,
And Your paths drip *with* abundance.

~ Psalm 65:11 ~
(NKJV)
