5. **We wish to express our sincere thanks** and gratitude to the Dupont Park SDA Family for all of your kind thoughts, prayers, cards, and expressions of condolences regarding the recent loss of my sister-in-law, Katherine Robinson Catoe. As we continue to go through the healing and adjustment process, with God's grace and mercy, it is especially encouraging to have a church family that cares so much and is interceding in prayer on our behalf. We pray that God will richly bless each of you for the many acts of kindness that you have shown to us.

Health Nugget

God has not changed; neither does he propose to change our physical organism, in order that we may violate a single law without feeling the effects of its violation...By indulging their inclinations and appetites, men violate the laws of life and health; and if they obey conscience, they must be controlled by principle in their eating and dressing, rather than be led by inclination, fashion, and appetite. - H.R.
