2. **Pre-K Teacher Needed:** The Dupont Park Adventist School is currently seeking a qualified, fun, and energetic full-time Pre-K 3-4 Teacher for our school. Please submit your resume and cover letter to Ms. Grace Ameyaw, Principal at [gameyaw@mydpas.org](mailto:gameyaw@mydpas.org).

3. **Dupont Park School, the School with the Eternal Advantage** - In Ephesians 6:4, we are told to "bring up our children in the fear and admonition of the Lord." 5. **Special Thanks:** To all the ladies who came out early last Sunday and awesomely cleaned the Dupont pre-school interior windows and kitchen. It was much appreciated! Please note that there are a couple things still needed. If you are willing to help, please call A. Harris at 301-980-3122.

## Health Nugget

It is a mistake to suppose that muscular strength depends on the use of animal food. The needs of the system can be better supplied, and more vigorous health can be enjoyed, without its use. The grains, with fruits, nuts, and vegetables, contain all the nutritive properties necessary to make good blood. These elements are not so well or so fully supplied by a flesh diet. Had the use of flesh been essential to health and strength, animal food would have been included in the diet appointed man in the beginning. MH 316
