## Health Nugget

The religion of the Bible is not detrimental to the health of the body or of the mind. The influence of the Spirit of God is the very best medicine that can be received by a sick man or woman. Heaven is all health, and the more deeply the heavenly influences are realized the more sure will be the recovery of the believing invalid. #T 172-173

## Pastor's Appreciation Corner

### The Pastor Honored by God to Serve

A man can have no greater honor than to be accepted by God as an able Minister of the gospel. But those whom the Lord Blessed with power and success in His work do not boast. They acknowledge their entire dependence on Him, realizing that of themselves they have no power. AA 328

One important art of the ministry is to faithfully present to the people the health reform as it stands connected with the Third Angel's Message as part and parcel of the same work. They should not fail to adopt it themselves, and should urge it upon all who profess to believe the truth. 1T 475.2
