Health Nugget

The Savior in His miracles revealed the power that is continually at work in man's behalf, to sustain and to heal him. Through the agencies of nature, God is working, day by day, hour by hour, moment by moment, to keep us alive, to build up and restore us. When any part of the body sustains injury, a healing process is at once begun; nature's agencies are set at work to restore soundness. But the power working through these agencies is the power of God. All life-giving power is from Him. When one recovers from disease, it is God who restores him. Sickness, suffering, and death are the work of an antagonistic power. Satan is the destroyer; God is the restorer. MH112-113

Pastor's Appreciation Corner

The Pastor - God's Ordained Earthen Vessel of Honor

All should bear in mind that Satan's special efforts are directed against the ministry. He knows that it is but a human instrumentality, possessing no grace or holiness of its own. He knows that it is an agent that God has ordained to be a powerful means for the salvation of souls, and is efficacious only as God, the eternal Spirit, makes it so. He knows that the treasure of the gospel is in earthen vessels, that it is God's power alone that can make them vessels of honor. TM404

Dignity of the Messenger - Decorum is necessary in the desk...Ministers should possess refinement. They should discard all uncouth manners, attitudes, and gestures, and should encourage in themselves humble dignity of bearing...Befitting the dignity of their position. RV145
