Health Nugget

Respect paid to the proper treatment of the stomach will be rewarded in clearness of thought and strength of mind. Your digestive organs will not be prematurely worn out to testify against you. We are to show that we appreciate our God-given intelligence by eating and studying and working wisely. A sacred duty devolves upon us to keep the body in such a state that we shall have a sweet, clean breath. We are to appreciate the light God has given on health reform, by word and practice reflecting clear light to others upon this subject. CD 101
