Viewing at 9:30 a.m. until 11:00 a.m., followed by the funeral at 11:30 a.m.

1. **Sabbath School** - We want to thank Dr. Robyn Brooks, our first presenter for visionary women of Dupont Park Church, for her awesome presentation on last Sabbath. March is Women's History Month, so we will focus our Mission Spotlight each Sabbath on the visionary women of Dupont Park Church. Please join us and hear our entrepreneurial journeys.

2. **Save the Date - Dupont Park Adventist School Alumni Weekend, April 27-28, 2019.** Theme: "Celebrating Generations of Success." Divine Worship Speaker for Sabbath, April 27, is Alumnus Dr. M. Leon Seard II.

3. **To our Dupont Park Family** - Words cannot express the love we felt and still feel from all of you. We are overwhelmed. Pastor Harris and Pastor Mkorombindo, we truly thank you two for the love we received in supporting us at Holy Cross. To the repast servers, we are very grateful for your commitment to serve others. We thank our entire church family for the outpouring of encouraging cards, phone calls and visits. Dupont truly has a compassion for people.

Health Nugget

The digestive organs should never be burdened with a quantity or quality of food which it will tax the system to appropriate. All that is taken into the stomach, above what the system can use to convert into good blood, clogs the machinery; for it cannot be made into either flesh or blood, and its presence burdens the liver and produces a morbid condition of the system. The stomach is overworked in its efforts to dispose of it, and then there is a sense of languor, which is interpreted to mean hunger, and without allowing the digestive organs time to rest from their severe labor, to recruit their energies, another immoderate amount is taken into the stomach, to set the weary machinery again in motion. The system receives less nourishment from too great a quantity of food, even of the right quality, than from a moderate quantity taken at regular periods. CD 103
