## Health Nugget

The relation that exists between the mind and the body is very intimate. When one is affected, the other sympathizes. The condition of the mind affects the health to a far greater degree than many realize. Many of the diseases from which men suffer are the result of mental depression. Grief, anxiety, discontent, remorse, guilt, distrust, all tend to break down the life forces and to invite decay and death. MH 241

## Church Mission Statement

Dupont Park Seventh-day Adventist Church is a ministry founded on Biblical principles. Our passion for God excites us to serve the community with compassion, excellence and integrity. We seek to make mature followers of Christ who will be prepared to meet Him at His imminent return.
